

# Wilderness Adventures

Dear Youth Leaders,

If you haven't heard about the Wilderness Adventures summer camp experience at Camp Michael, please read on so you can get signed up right away! Camp Michael Youth Camp –your only local youth camp- has been holding the Wilderness Adventures summer camp for several years now.

We want to provide your organization with this option before you start your 2019 scheduling to introduce you to by far the best and most cost effective summer camp experience in the area. Because we are a Non Profit 501c Organization with sponsorship from the local United Way, we are able to produce this wonderful experience at very little cost to your organization and youth members. We have many talented current and former scout leaders, pastors, law enforcement, medical professionals, and local business folks that volunteer each year with the training.

Where else can you take your young people to a wilderness setting, with hot meals, crafts, skills, and nonstop loads of goodies being provided for \$25? Or, if out of Crawford County for \$40?

Please find the latest application form, along with the complete application package, on our website for you to download and review at [camp-michael.com](http://camp-michael.com).

Opportunities are limited, and it's first come, first serve.

Please don't hesitate to call or email the camp with any questions you may have.

Looking forward to seeing you all in July!!!

Sincerely,

*Louie Katona III*
